Hot Air Balloon Ride:

We will gently ascend and float between 500 and 1,000 feet wherever the wind takes us. We travel above the treetops and below the clouds for about an hour, covering 5 or 10 miles. On landing, we celebrate with a champagne or fruit juice toast, an old French tradition. The whole experience takes about 3 hours, three fantastic hours!

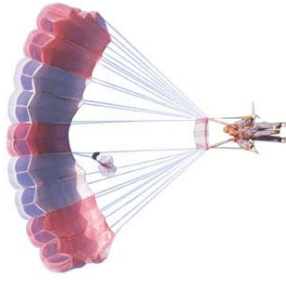

Glider Ride: Our experienced pilot will take you high above the earth in our sleek silent glider. You will have an exciting soaring adventure, better than you ever imagined. Smooth, quiet, peaceful, beautiful. Spectacular scenics!

Tandem Skydiving

Ride: You and your instructor board the jump plane and you climb to between 10,000 and 13,000 feet. Signals are given and you exit the aircraft harnessed to your instructor. The free-fall is a rush and the feeling of flying is breathtaking. Then, the chute is opened and you and your instructor float to earth together. Excitement unlimited!
